Dear Colin:

**Re: Compensation and Benefits for the Energy & Resource Sectors conference
June 12 & 13, 2006
Ramada Centre Hotel, Calgary**

Thank you so much for your participation in the *Compensation and Benefits for the Energy & Resource Sectors conference*. A token of our appreciation will be sent out to you shortly, but I wanted to let you know as quickly as possible how much we appreciated your presentation and contribution to the conference.

Everyone was aware of the time and effort you put into preparing and participating in the conference. The delegates appreciated the results of your efforts and I hope that you found the experience to be worthwhile as well. I have passed on your business card to the legal division and hopefully we will be able to get you on board for another conference soon.

Delegates were asked to complete evaluation forms at the end of the conference. The response we received from them was very positive. They found the presentations to be both informative and valuable and felt that they gained practical insights from attending the conference. Your own presentation was particularly well received. Delegate comments included "Informative", "Insightful".

I will look forward to inviting you to participate in future programmes and thank you again for helping to make this conference a success.

Yours very truly,

THE CANADIAN INSTITUTE
