

This is to confirm our engagement as counsel and to provide you with information concerning the terms of our relationship. Although we do not wish to be overly formal with you, we have found it to be a helpful practice to confirm with our clients, the nature and terms of our relationship. Our mandate begins upon your returning the contract provided herein and forwarding your first portion of our counsel fees.

Following our review of your credentials and subject to the terms and conditions of our engagement outlined below, we confirm that you are eligible for our **Canada Priority Residence Program**:
